

# AFTER SCHOOL RECREATION FOR STUDENTS IN ELEMENTARY AND MIDDLE SCHOOL

## Session II began January 30, 2012

The City's after school programs promote positive youth development and help support the needs of families in Dublin. The "After School Recreation Program" is for children in elementary school and the "Student Union" is for those in middle school.

The programs are held from the time school gets out until 5:30 PM, including minimum days. After School programs are available at John Green, Dougherty, Dublin, Kolb, Frederiksen and Murray Elementary as well as Fallon and Wells Middle Schools. These programs are not held on school or City holidays.

A variety of group and individual activities, arts-n-craft projects and indoor/outdoor games are all part of these exciting programs. At elementary school sites there is also designated quiet time each day for students to complete homework, with Recreation Leaders available to provide assistance. At middle schools a credentialed teacher is on site to assist with homework each day.
